My girlfriends gave me this stainless steel double dong at my bridal shower last year. My husband doesn't know I even have it.

Well – it and I have become good friends. It never talks back to me. It's always there when I need it. And it's always HARD!

Next week I've invited my best girlfriend over for some fun. I've never shared this with anyone, so I can't wait to see her face when I pull it out and then put it in her. I can't wait.

Is there anything else you would
like to see me do with this
beautiful sexual instrument?
If you're over 18 you can call me
and tell me what you want to see.

A woman with blonde, wavy hair is lying on her side on a bed. She is wearing a white lace-trimmed strapless top. Her eyes are closed, and she has a slight smile on her face. She is resting her head on a large, white, ruffled lace pillow. The bed is covered with a deep red, textured blanket. The background is a dark red, vertically-pleated curtain.

I HOPE YOU LIKE THESE PHOTOS. I HAD A GREAT TIME DOING THEM. THE PHOTOGRAPHER TOLD ME TO THINK ABOUT THE HOTTEST SEX I EVER HAD. I LAUGHED AND TOLD HER IT HASN'T HAPPENED IT YET.

SHE TOLD ME TO IMAGINE IT AND I DID. IT WAS WITH HER AND THE ASSISTANT. HE WAS HOT. WE WOULD FINISH THIS SHOOT AND AS THEY WERE CLEANING UP, I'D PULL THEM BOTH ONTO THIS BED AND WE'D DO IT RIGHT HERE. SINCE I WAS ALREADY NAKED, SHE WOULD GO DOWN AND LICK MY PUSSY AND I'D HAVE HER SIT ON MY FACE.

*THE ASSITANT WOULD GIVE ME A RIDE HOME & I'D BLOW HIM
— AGAIN!*

*WHAT ELSE MAKES YOU HOT – BESIDES ME?
GIVE ME A CALL AND WE CAN TALK ABOUT IT.
I MAY BE SWEET LOOKING BUT I CAN GET
REALLY NASTY. WANNA FIND OUT?*

Serena

Sculpted body and chiseled legs, cover girl Serena is hot!
Come check her out. In this outfit she looks so sophisticated, so classy.
A gorgeous black suit and lacey bra making her look so hot and sexy.
Notice the shimmering pantyhose - what more does she need.

"I need to take them off
and show you what's
hidden so you can ad-
mire me. I need to fondle
my breasts and pull my
pink pussy lips apart for
all of you to see."

"I need to take this huge pink dildo off the desk and put it where it will take me to another magical world. You can watch and see where I drift off to."

A woman is lying on her back on a dark wooden desk. She is wearing red nail polish and has her legs raised and bent. Her hands are resting on her buttocks. In the background, a window shows a city skyline at night with illuminated buildings. A rotary telephone and a small object are on the desk next to her.

"I need to do one more thing and
that is to talk to you. I'm really hot
right now and want to play with my
pussy some more."

"I need you to call me right now. Put this
magazine down, pick up the phone and dial..."

My pussy needs attention and you responded so well. I was so hot and it needed to be filled. I showed the photographer what more I can do with my fingers. And it tastes so good, yummy!

Fillian

I like walking around my house and yard naked. Once in a while I'll put on my stockings because I like the way they feel. Do you like them on me?

My neighbor saw me sunning naked in my back yard. He asked if my husband was home. I said he wasn't but I expected him any minute. He was disappointed.

The next day my neighbor came to my door to borrow
a cup of sugar. I think that was just a ruse to see me.

Are you as bold as my neighbor. I didn't give him my
phone number, but it's right here for you. 18 & over.

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

GIANA, LEGGY GODDESS

The recent issue of Leggy Wives with Giana on the cover made me weak in the knees and hard inside my pants. SHE IS A GODDESS. From her perfect curls to her perfect toes, she is the definition of what a woman is. The photo layout was exquisite too. The photographer captured this angel as innocent and as sexy and as naughty. I must have looked at her pictures for more than four hours the day I bought the magazine.

I was so enthralled with her that I went back and bought another issue so that it would stay pristine as the years went by. Thank you for bringing this absolute beauty to the world.

– Trevor, Minneapolis

We concur. When her test photos came across our desk, we had to order extra boxes of tissue – to clean up all the slobber, guys. When we got the pictorial, we knew she was a winner in every sense of the word. – Ed

GIANA RULES

However many girls you had to look through to find Giana was worth it. Your job must really be tough. But let me get right to the point; I love her long slender legs and those shoes she was wearing really make her feet look gorgeous.

The powder blue bra and panty set contrasting against her brown skin was very beautiful. I like the way she kept it on for the pictorial. And I like the way she worked the sofa. Her poses really accentuated her long legs and when she sat on the floor and spread them, I was in pussy heaven. Just enough hair to keep it interesting, but not enough

to obscure the view. Nice! She was a perfect choice for a cover girl and her pictorial was just hot enough to make me pop! I'm putting down this pen so I can do it again. Please excuse me...

– Larry B., Scranton

LIKING LEGS MORE?

I've always been a breast man, myself, but when I saw Giana on the cover of your magazine, I had to buy it and check her out. And I admit, I am staring to turn into a bit of a leg man. Giana has great gams. They seem like they could wrap

right around me and hold my face there as I lick her pussy. I would start slow with my tongue, adding some nips and bites to arouse her even more. Then I would slide my hands up her beautiful chest to cup her perfect size boobs in them. Squeeze them and then pinch her nipples as I jam my tongue deeper into her slit.

Then I would unwrap her legs from my head and hold them spread-eagle as I take in every inch of her and gaze at the wet pussy I just left. I'd take her toes on my mouth, left one first, and nibble each and every toe as I watched her watching me do it. I'd then take all her

toes in my mouth and selectively work each one with my tongue, taking time to insert it between her toes and tickle her. We'd end up sitting across from each other on the floor with her feet around my cock, pumping it until I came on them. Then I'd watch her get up and walk to the bathroom with that great ass wiggling.

– Albert, Boston

DAYDREAMING OF GIANA

I had to buy your magazine when I saw this girl Giana on the cover. She is HOT. I'm a college student majoring in Journalism and I found her as my muse. After I stared at her pictures, I sat down at my computer and composed this note to her.

<< Giana, I've sucked each of your toes, and licked the spaces in between

its end would hold my attention until I knew it's every cell. After months of roaming over every inch of your body, I would linger at your breasts until the moon turns through two of its cycles. I'd circle your nipples with my tongue like a vortex until they made you moan in their ecstasy.

My journey would continue unabated into the depths below your navel. An area that has been hidden to all, yet wants to be discovered. I can only imagine what I would find there in the forbidden spaces between your thighs. I can only imagine. Would you be wet and welcoming or closed tighter than the gates of heaven to sinners. Would you welcome my fingers or my tongue or, hope of hopes, my swollen member?

Giana's back with her great legs one more time. Her appearance in the last Leggy Wives generated so much mail we had to tip the mailman. His tip - he wanted twenty copies of her issue!!!

not once and not twice but as many times as it takes to know their softness and excitement. I'd explore the fullness of your hips, and trace curves of your asscheeks with the tip of my tongue. I would caress the backs of your thighs, and the spot where your spine meets

If you agree, even then I would not be satisfied even if I had you each and every day. Even if I felt your heaving orgasms, I would want to feel them again, more intense, more personal each time you reached that sweet peak. Each time you lose control

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

and I am right there with you to hasten it's cumming once again. I am there to seek your warmth, your smells, your tastes, your sex. I am there for the path to you is a daunting one, but I will persevere. >>

Well, that's a start. I hope to have more as the day breaks and my classes end. If I write more, I will send them to you and hope my daydreams will reach Giana's heart.

– Louis, Louisiana

Wow, Louis! What can we say after that. Our brains have turned to mush

made me laugh because I'm the ass-man. The Booty King. The Sultan of the Sphincter. Let me tell you why. I get more ass than anyone I know, and probably anyone you know. I can coax anal virgins to give it up to me – and like it – the first time.

Let me tell you about this anal cherry I popped of Jackie's. I started by telling her to get on her hands and knees and she obeys. I tell her to say "Ahhhh," and stuff my cock in there. I watch as her head bobs up and down on my

super- large dick. I lean over and spread her butt cheeks so my fingers can lube her up. I tell her it's only going to hurt a little and she's going to like it. I tell her I'll be gentle and she'll want more when I'm done. I spread the lube heavily around her asshole and feel her quiver in anticipation. I push my cock towards the clenched opening and with a swift thrust, I go in. I put my hands on Jackie's hips and pushed my dick deeper into her tight asshole. I lift her hips and push it in and pull it out in a rythm that is sure to

fall out. It won't. She grinds her butt hard against me and I push back. We do this until she begs me to push it in and pull back wanting to feel it go in and then back out. Jackie cums, as she says, like she's never cum before. She says that she didn't know what she had been missing her whole life. I smile and agree.

I love fucking women in the ass. It's a pleasure which every man and woman should experience. especially the anal virgins with their tight assholes. It's a sensation that even the all-sacred pussy cannot equal. Guys, if you haven't fucked an asshole, do so before you die or you'll be missing out on one of the great joys and pleasures of life. Ladies, if you have not had anal sex, by all means do it. It will awaken something in you that straight pussy-fucking just cannot do. Just bend over and say yes. It's good for your overall emotional, physical and sexual health. Just ask any lady who has done it and they'll tell you it's one of God's better gifts to humanity. Well, maybe not in those words, but if they groove on it, they'll tell you so.

So, yes, I boast about my anal conquests, but they are not without their redemption. As we mature sexually, we learn that taboos are there for a reason. They feel too damn good to be allowed to all.

– Heath B., Dallas

Heath, that was quite a dissertation. Quite an anal-ysis of the good and not-so-much of the bad of Greek love. While we too love anal, there are cautions to be observed, especially when one's butthole is deflowered. Nonetheless, good stuff, anyway. – Ed

with your imagery. If these are your daydreams, we're afraid to ask what your nightmares bring. Nonetheless, we're sure Giana appreciates the thought and sentiment that went into every word you wrote or thought. – Ed.

ASS-FOUNDING STORY

I saw the bathroom sex scene in the last issue of Leggy Wives [Fixing Her Pipes – Ed.] and it

Huge cock. Yes, it's huge, What else would it be? Jackie sucked my dick until I got hard as a rock and squirted all over her face. I love blasting her face with my huge, hot load. I then told her to lick up and she did. She lapped it all up without leaving a drop.

Next, it was time to fuck her in the ass. I made lay on her back with her feet over her head. This exposed her pussy and ass to my super-hard,

get her into it too. Her hips begin responding to me after the initial pain and fear have subsided. The deed is done and she's groovin' on it. I tell Jackie to turn over so I can fuck her in the ass some more. She obediently obliges, getting on all fours and lifting her ass in the air, daring me to stick it in again. And I do. One long push all the way to my balls and she collapses on the bed. I pull it almost all the way out and she backs up her butt so it won't

A woman with blonde hair is posing in a bathroom. She is wearing a red and beige lace bra and matching high-thigh stockings. She is also wearing red high-heeled shoes. She is standing on a blue shaggy rug. In the background, there is a white sink, a blue towel with a dolphin pattern, and a potted plant. The woman is smiling and looking at the camera. The text "My legs don't lie." is written in red at the top right. The name "Giselle" is written in large red letters at the bottom right. At the bottom right, there is a quote: "I'm a very truthful person. I love stockings and high heels. I love the feel of silk and the smell of leather."

My legs don't lie.

Giselle

I'm a very truthful person. I love stockings and high heels. I love the feel of silk and the smell of leather.

WOMEN

MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peek and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJ's, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,
Barbara B., Wilmington, DE.

30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk. Don't delay. Julie P., Los Angeles, CA.

LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legsv and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first. Maria, Houston, TX.

MEN

YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so fuck-ing hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to fuck them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

HANDSOME STUD SICK OF POS-ERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fuck-ing money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth. Billy, Tacoma, WA.

NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had se with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Brooklyn, NY.

NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female bosses (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear.
Clive, Chicago, IL.

Letters to the editor

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

IS THAT HOT – OR WHAT!

Your last issue of MaXimum MILF was amazing. I cannot believe how hot the cover girls, Bailey and Arin [Erin] are, and what a hot scene they did. That dildo ball/balloon is just the best. I have never seen anything like that before. I can just imagine my wife sitting on it and blowing me at the same time. Would that be hot, or what! Anyway, keep up the good work and I'll keep buying.

– Frankie, L.A. CA

BATHROOM BLISSED!

I do not have great story for you but I'm writing this letter because my husband and I are avid readers of your fabulous magazine. As a woman, I was hesitant about reading MaXimum MILF until one day when he inadvertently left an issue in the bathroom. I have to admit that I am in love with the women in your photos. They seem to have a confidence about them. Not like the eighteen year-olds in other mags. They get me hot and by the time I finish looking them I have to masturbate right away. So I sat on the toilet with no underwear on and slid my hand down there. I had the magazine on my lap and found myself coming after only a few minutes. My husband doesn't get me off that fast. Darn, I hear him at the door. So keep up the great work, and please don't change a thing.

– Natalia, Washington D.C.

Bailey and Erin generated a lot of mail. They proved to be really big fan favorites so we have asked that they come back for another pictorial. Bailey was all for it. Erin has since moved but Bailey said she would try to get in touch with her. – the editors.

TWOSOME THREESOME

I want to congratulate you on the Erin & Bailey pictorial. I've always enjoyed the fantasy element in two women getting it on and this is really hot stuff. Like most people, I think there's nothing more tempting than two beautiful women together. So, I have to tell you – My best friend, Jennifer, gave me an all-girl bridal shower, with a twist. There were about twelve of us in the hotel room sitting around talking, drinking champagne and playing those silly games when the doorbell rings. Jen answers the door and it's the hotel manager. There is another man with him identifying himself as hotel security. He

has a black briefcase with him and as they walk in he puts it on the table next to the sofa. The manager asks what's going on, there were noise complaints. Jen tells him it's bridal shower party. The security guard asks who's the bride-to-be? They all point to me and I turn bright red. The two men look at each other and the manager leaves the room. The security guy comes over to me, takes me by the hand and sits me in a chair in the middle of the room. I think I'm beginning to figure out what's going to happen. He opens the briefcase and turns on the cd player inside it. He strips off his suit as the other girls begin to cheer him on. He then began to dance around me in the

chair, bobbing his g-string-slung cock in front of my face. Jennifer was behind him laughing and dancing in sync with his every move. He straddles my legs and begins to shake it even harder when all of a sudden Jen yanks his g-string down and his hard cock pops up right in front of my face almost hitting my chin. The girls scream out in approval and urge me on with shouts of "Suck him!!" Not wanting to let them down, I reached out and started rubbing the monster cock in front of me. He moved towards me, plunged his huge penis into my mouth, and started slowly pumping in and out. As the girls cheered us on, he picked up the pace, fucking my mouth as fast as he could. After a while he stopped and told me to suck hard on the head, then he pulled away and shot cum everywhere. It was great and all the girls cheered. After his little show, everyone left except the security guard, Jennifer and me. We all ended up in the bedroom and they both undressed me. He buried his face between my thighs and began licking and sucking on my pussy while Jennifer licked and sucked his cock. He got up and placed the head of his cock at my slit, with one swift stroke, he dove it into me as deep as it would go. He began pumping fast and hard. I was shocked when Jennifer moved around and Jennifer began, sucking on my nipples. She then straddled my face while facing the stripper and

lowered her pussy down to my mouth. I was now eating pussy for the first time in my life. After about ten minutes the guy pulled out and shot his load onto my chest. We did this off and on all night. We have all gotten together six times in the past month. I now seem to be addicted to this type of sex, and do not know if I can settle for marriage and straight sex any more. Do you think this is a passing phase or should I call off the marriage for now?

– Arlene, Boston

Arlene, Sex is a natural and necessary function, without which one is not a complete person. You do seem to be hooked on it. But it is still seems a healthy passion, not an addiction. You are much too young to settle down to boring domesticity, although if you want to move in with one guy, it's worth a try to see how you like it. Married or not, he might hit the ceiling if you do a repeat performance. Contemplate giving up the idea of marriage or make it clear to your boyfriend that you want to have the type of sexual freedom that allows for your self-expression. However, consider living with him for a while to see how you two get along. – Ed.

WHEN THE CAT'S AWAY

Dear Editor,

I've been a loyal reader for many years and am finally getting around to writing you

a letter about your magazine. I've seen it go through changes over the years, but one thing has remained the same. The great looking ladies you put in it every month. I especially like the boy-girl and girl-girl couplings. It's nice to see young people, supposedly married, doing things most of us only can dream about.

To that end, I just want to comment about those two super sexy felines in the pictorial *When the Cat's Away*. I love exotic women and those two were the cats meow. The long hair, the long fingernails, the long tongues, that all made me crazy hot. Over the years, I've stroked off many a time to each issue, but this one has to be right up there with my highest numbers. If you

could find it in your heart, and in your library, can you print just one more picture of them. It doesn't have to be a sex shot, just something that when I'm looking at the next issue, I'll see their photo and it will remind me of them in the last issue. Thanks a bunch.

– Eddie, Spokane

Eddie, We can't refuse a request like that. But we're going to tease you with a shot of Rada's face. You'll have to go back tho that last issue to see Zlata's face, but we don't think you'll mind doing that. – Ed.

JAMMIN' IN JAMMIES

I was vacationing with my wife at one of those couple's resorts in the

Caribbean and I have a story that your readers may like. It was our third night there and we had just finished a late dinner. We went back to the room, which, like many others, overlooks the pool area. The pool was deserted except for a couple young ladies still laying back on the beach chair. I was out on the balcony taking in the warm breeze when I noticed them. As I watched, one got off her chair and went to the other's who seemed to welcome her by spreading her legs open. The first girl knelt down and pulled her friends bikini bottom off and started licking her pussy. I rubbed my eyes to be sure I was seeing straight. I called to my wife to come see this. She came out to the balcony and took a look. She turns around to walk back into the room, but sneaks right behind me and slides her hand down my loose pajama pants. She starts stroking my semi-hard cock and brings me up hard immediately. She lets go for a moment to pull by jammies just below my butt so my cock could free itself. She grabs it again from behind and starts to stroke me harder. She whispers in my ear that I should keep watching the girls. After a few minutes I hear one of them moaning as is she is coming and then let a moan out as I cum right after her. I spew it over the balcony and look down hoping I didn't hit anyone with it. Now that was fun!
